Notes:

* Note the August 7, 2014 Microsoft announcement: <http://blogs.msdn.com/b/ie/archive/2014/08/07/stay-up-to-date-with-internet-explorer.aspx> "After January 12, 2016, only the most recent version of Internet Explorer available for a supported operating system will receive technical support and security updates. For example, customers using Internet Explorer 8, Internet Explorer 9, or Internet Explorer 10 on Windows 7 SP1 should migrate to Internet Explorer 11 to continue receiving security updates and technical support. For more details regarding support timelines on Windows and Windows Embedded, see the Microsoft Support Lifecycle site."

** The web-based AASHTOWare Project software uses the following versions of .NET and ActiveReports:
 AASHTOWare Project 3.00 (through Product Update 3): .NET 4.5.1 and ActiveReports 8
 AASHTOWare Project 3.00.133.04: .NET 4.5.1, .NET 4.6, or .NET 4.6.1 and ActiveReports 8
 AASHTOWare Project 3.01: .NET 4.6 and ActiveReports 10

*** Windows Server 2012 is supported on R2 and above.

**** For web Trns•port 2.02 PU4, Oracle 11.2.0.2g and above is supported. For AASHTOWare Project 3.00, Oracle 11.2.0.4g and above is supported.

***** Prior to the planned September 6, 2016 mobile application releases, iOS 7 is supported and Windows 10 (Tablets) is unsupported. AASHTOWare Project 3.01 is scheduled for release on September 6, 2016.

AASHTOWare Project 3.00.133.04 requires .NET 4.6.1 in order to work with the AASHTOWare Project Bids software.

VMware is a supported environment.

Web-based AASHTOWare Project™ Platform Component Status by Year

The following information applies to web-based AASHTOWare Project™ software only. See the Client/Server AASHTOWare Project Platform Component Status by Year document for platform information on other AASHTOWare Project modules.

Platform Component	2016-2017 Fiscal Year		2017-2018 Fiscal Year	
	Q1/Q2	Q3/Q4	Q1/Q2	Q3/Q4

Please refer to the Release Test Platform Plan and combinations of web and client/server AASHTOWare Project versions documents on Cloverleaf™, under Support, for additional information.

When using newer or older versions of the third-party tools than are supported in this document, the AASHTOWare Project module itself is supported, but issues resulting from using unsupported tools may cause the issue to be unsupported.

For detailed information on the specific platform versions against which AASHTOWare Project was release tested, see the System Architecture section of Cloverleaf (from the Cloverleaf home page, click the Products link, click a product, and then click the System specifications link).
