

Kansas Airport Improvement Program (KAIP) FY2025

Kansas Airport System

139 public use airports including:

- **80 paved airports** classified in the FAA's National Plan of Integrated Airport Systems (NPIAS)
- **29 non-NPIAS public use airports** with paved runways.
- **30 non-NPIAS public use airports** with unimproved runways (grass, dirt, gravel, etc.)

Kansas Airport Improvement Program

The Kansas Airport Improvement Program (KAIP) is a funding program administered through KDOT Aviation that is designed to assist airport sponsors in improving and maintaining the State's system of public-use airports.

KAIP Strategy and Objectives

The primary strategy of the KAIP program is to preserve and enhance (modernize) the Kansas airport system through the following four objectives:

- Maintaining the system's runway condition rating of "very good."
- Minimizing surface travel time to air ambulance pick-up locations.
- Improve Safety.
- Enhance airport and community economic development appeal.

KAIP FY2025 by the Numbers

➤ 135 Applications

- \$46.5M requested
- \$83.3M total project value

37 KANSAS AIRPORTS

Selected to receive more than \$14M through the Kansas Airport Improvement Program

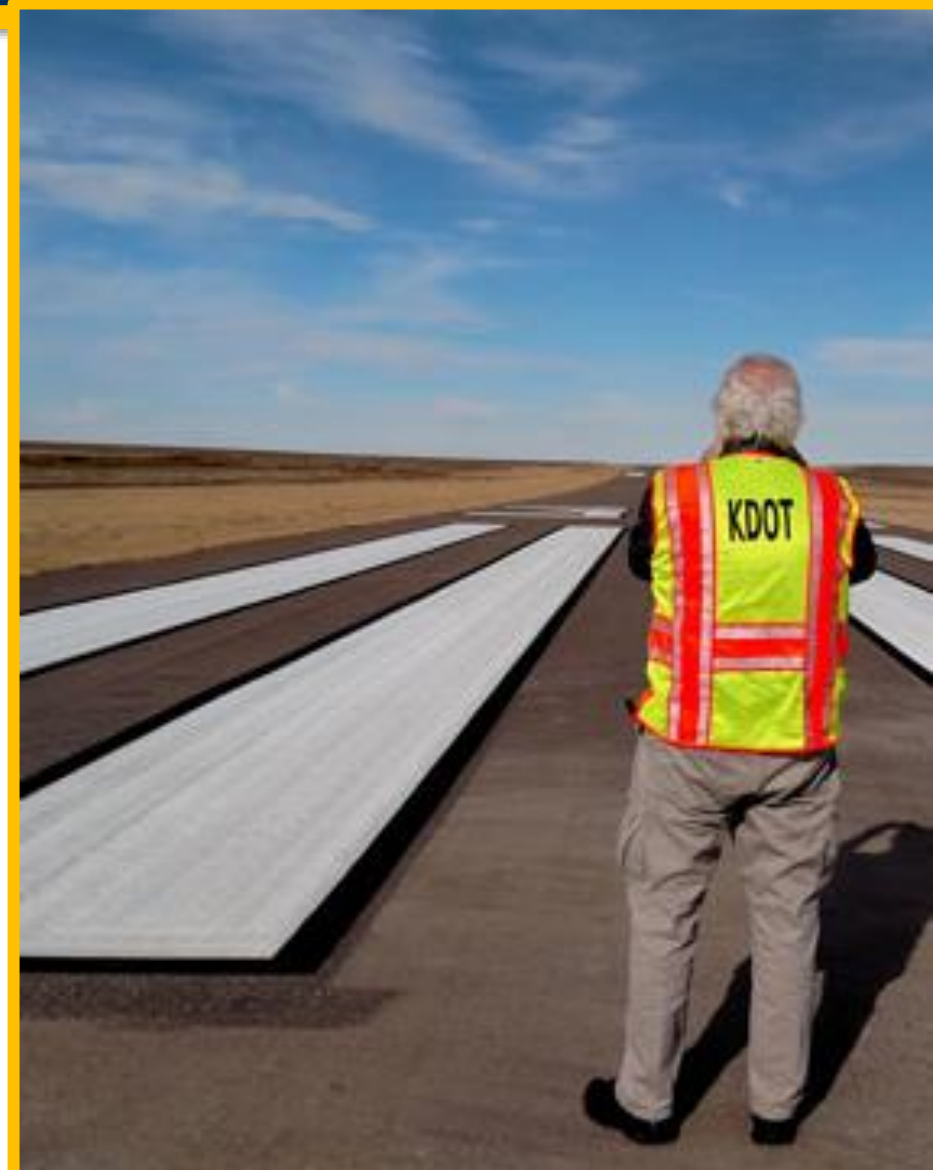

KAIP FY2025 Selected Grant Projects

KAIP FY2025 Selected Projects Summary

- Pavement, pavement, pavement
- AWOS
- Beacons
- Fencing projects/safety/wildlife
- Fuel systems modernization, repair, replacement
- Hangar project (replace destroyed hangar)
- Water well

KAIP FY2025 Selected Projects

- **Abilene Municipal Airport, Abilene, KS**
 - \$32,541 to replace a rotating beacon.
 - \$110,061 to replace Automated Weather Observation System (AWOS)
 - \$233,481 to replace destroyed T-Hangar
- **Atkinson Municipal Airport, Atkinson, KS**
 - \$135,000 to replace AWOS
- **Amelia Earhart Airport, Atchison, KS**
 - \$479,522 state match of local share of a runway construction project
- **Augusta Municipal Airport, Augusta, KS**
 - \$74,520 for a hangar approach and foundation project
- **Belleville Municipal Airport, Belleville, KS**
 - \$66,500 for a design of a pavement preservation project
 - \$387,000 for construction of a pavement preservation project including crack fill, seal coat, and markings.
- **Coffey County Airport, Burlington, KS**
 - \$93,500 for a hangar door replacement to eliminate ongoing maintenance problems.
- **Chanute Martin Johnson Airport, Chanute, KS**
 - \$180,000 for phase 2 of fence project to install chain-link fencing with barbed wire wildlife barrier.
- **Ellsworth Municipal Airport, Ellsworth, KS**
 - \$675,000 for taxiplane project
- **Emporia Municipal Airport, Emporia, KS**
 - \$114,000 for apron design to accommodate larger aircraft.
 - \$792,000 for apron construction to accommodate larger aircraft.
- **Gardner Municipal Airport, Gardner, KS**
 - \$76,000 for the design of a fuel system project
 - \$722,500 for the construction phase of an above ground fuel system in addition to removal of an underground fuel system.

KAIP FY2025 Selected Projects

- **Gove County Airport, Gove City, KS**
 - \$142,200 to install an AWOS
- **Herrington Regional Airport, Herrington, KS**
 - \$170,000 state match to unfunded local share of runway edge lighting, PAPI, and REILs.
- **Hugoton Municipal Airport, Hugoton, KS**
 - 18,000 to crack seal runway 13/31
 - \$270,000 for pavement repairs near terminal and T-Hangars.
- **Allen County Airport, Iola, KS**
 - \$57,000 for design of a drainage and earthwork project for parallel taxiway
 - \$607,500 for the construction of the drainage and earthwork project for a parallel taxiway
- **Stanton County Municipal Airport, Johnson, KS**
 - \$144,000 to replace the AWOS
- **Larned Pawnee County Airport, Larned, KS**
 - \$125,460 to replace the AWOS
 - \$41,400 for upgrading the fuel pump, fuel filters, hose reel, and credit card reader for fuel system.
- **Lawrence Regional Airport, Lawrence, KS**
 - \$38,000 to design the rehabilitation of Taxiway C
 - \$337,500 for the construction of the rehabilitation of Taxiway C
- **Sherman AAF, Leavenworth, KS**
 - \$14,865 for fuel system modernization including installing credit card reader and electronic display.
- **Mark Hoard Memorial Airport, Leoti, KS**
 - \$61,775.26 for fuel system repair and modernization
- **Lucas Airport, Lucas, KS**
 - \$36,100 for the design of runway 17/35 pavement repair project
 - \$763,740 for the construction phase of runway 17/35 pavement crack repair, milling, and marking project.

KAIP FY2025 Selected Projects

- **Marion Municipal Airport, Marion, KS**
 - \$122,625 for runway 17/35 crack repair
- **McPherson Airport, McPherson, KS**
 - \$351,000 for runway 18/36 joint, crack seal, minor spall repair, and isolated panel repairs.
- **Medicine Lodge Airport, Medicine Lodge, KS**
 - \$57,000 for the design of an airport lighting project.
 - \$384,435 to remove and replace runway and taxiway lights, LED REILS, PAPIs, and regulator for airfield lighting modernization.
- **Johnson County Executive Airport, New Century, KS**
 - \$13,600 for crack seal and pavement maintenance materials
 - \$800,000 for the reconstruction of the East- 1 Apron.
 - \$284,670 to install 4800' feet of 8' fencing with 3 strand barbed wire.
 - \$800,000 for taxilane pavement/East -4 Apron reconstruction
- **New Century Air Center, New Century, KS**
 - \$13,600 for crack seal and pavement maintenance materials
 - \$460,800 for reconstruction of Taxiway K from runway hold line to Taxiway L
 - \$206,150 for the design of a pavement reconstruction of the north portion of the west apron
 - \$800,000 for construction portion of pavement reconstruction of north portion of west apron
 - \$577,800 for the taxilane and apron mill and overlay around east t-hangars
 - \$800,000 for the reconstruction of the south section of west apron
- **Oberlin Municipal Airport, Oberlin, KS**
 - \$126,000 to replace AWOS.
- **Osage City Municipal Airport, Osage City, KS**
 - \$50,000 for state match to local share of pavement rehabilitation and airfield lighting.
- **Pratt Regional Airport, Pratt, KS**
 - \$36,000 to replace the Ceilometer component on an AWOS.

KAIP FY2025 Selected Projects

- **Cook Airfield, Rose Hill, KS**
 - \$22,500 for crack seal and pavement maintenance materials.
- **Rush county Airport, Rush Center, KS**
 - \$44,200 for taxiway pavement repairs
- **Satanta Municipal Airport, Satanta, KS**
 - \$45,000 to drill a well to support pilot lounge, hangars, and aerial applicators.
- **Smith Center Municipal Airport, Smith Center, KS**
 - \$66,500 for the design of pavement repairs of taxiways east of apron
 - \$252,000 for the construction of pavement repairs of taxiways east of apron.
- **Syracuse- Hamilton County Airport, Syracuse, KS**
 - \$23,850 for crack seal of runway 13/31
- **Ulysses Airport, Ulysses, KS**
 - \$66,500 for the design of a fence project along the northwestern side of airport..
 - \$337,500 for the construction of a fence along the northwestern side of airport.
- **Wellington Municipal Airport, Wellington, KS**
 - \$11,700 to replace the rotating beacon.
- **Colonel James Jabara Airport, Wichita, KS**
 - \$360,000 for design and construction of chain-link security/wildlife fence on east side of field.
- **Strother Field, Winfield, KS**
 - \$225,000 for joint seal and pavement repairs around the taxiways north of the terminal.
